CODE OF THE TOWN OF
HANCOCK, MARYLAND

PREFACE

Pursuant to the Article 23A of the Annotated Code of Maryland, the Mayor and Council of the Town of Hancock, Maryland have updated and recodified its Code of Ordinances.

The previous "Code" was codified in 1983. Until then there had been a compilation of Ordinances dating back many years. Subsequent thereto ordinances have been passed and published and recorded among the Acts, Ordinances and Resolutions of Incorporate Municipalities in the office of the Clerk of the Circuit Court for Washington County, Maryland.

This current recodification is intended to be effective June 1, 2006.

All amendments to those Ordinance and any new Ordinances enacted since that date are intended to be contained in this document. It is intended that unless otherwise specified, the Ordinances (this Code) supersedes any previous enactments. However, it is not intended to abrogate or rescind the financial obligations and/or regulatory actions and regulations that are currently in force and effective.

THE COUNCIL

§ 5. Number of council members; selection; term.

All legislative powers of the town are vested in a council consisting of the Mayor and four council members who shall be elected as hereinafter provided. The Mayor shall hold office for a
term of two years or until a succeeding Mayor takes office and the council members shall hold office for a term of four years or until the succeeding council takes office. The regular term of council members shall expire on the second Monday following the election of their successors. Council members holding office at the time this charter becomes effective shall continue to hold office for the term for which they were elected and until the succeeding council takes office under the provisions of this charter.

§ 6. Qualifications of council members.

Council members shall have resided in the town for at least one year immediately preceding their election and shall be qualified voters of the town.

§ 7. Salary of council members.

Each council member shall receive an annual salary which shall be equal for all council members and shall be as specified from time to time by an ordinance passed by the council in the regular course of its business; provided, however, that the salary specified at the time any council takes office shall not be changed during the period for which that council was elected. The ordinance making any change in the salary paid to the several council members, either by way of increase or decrease, shall be finally ordained prior to the municipal election for the members of the next succeeding council and shall take effect only as to the members of the next succeeding council.

§ 8. Meetings of council.

The newly elected council shall meet at 7:00 p.m. on the second Monday following its election for the purpose of organization, after which the council shall meet regularly at such times as may be prescribed by its rules, but not less frequently than once each month. Special meetings shall be called by the clerk-treasurer upon the request of the mayor or a majority of the members of the council. All meetings of the council shall be open to the public, and the rules of the council shall provide that residents of the town shall have a reasonable opportunity to be heard at any meeting in regard to any municipal question. The mayor and council shall have the right to close its meetings to the public for the purposes set forth in the Annotated Code of Maryland, State Government Article, § 10-501, et. seq. as it now exists and as may be amended from time to time. Applicable state laws shall control and regulate any closed meeting which may be held by the mayor and council. (Amended Resolution #1, 5/30/96, recorded in Liber 5, folio 936.)

§ 9. Council to be judge of qualifications of its members.

The council shall be the judge of the election and qualification of its members.
§ 10. President of council.

The Mayor shall serve as president of the council. The mayor may take part in all discussions, and the Mayor shall have the right to vote. In the absence of the mayor, the council shall elect a councilmember to serve as interim president.

§ 11. Quorum.

A majority of the members of the council shall constitute a quorum for the transaction of business, but no ordinance shall be approved nor any other action taken without the favorable votes of a majority of the whole number of members elected to the council.

§ 12. Rules and order of business; journal.

The council shall determine its own rules and order of business. It shall keep a journal of its proceedings and enter therein the yeas and nays upon final action on any question, resolution, or ordinance, or at any other time if required by any one member. The journal shall be open to public inspection.

§ 13. Vacancies in council.

Vacancies in the council shall be filled as provided in § 37 of this charter.

§ 14. Passage of ordinances; publication; effective date.

No ordinance shall be passed at the meeting at which it is introduced. At any regular or special meeting of the council held not less than six nor more than sixty days after the meeting at which an ordinance was introduced, it shall be passed, or passed as amended, or rejected, or its consideration deferred to some specified future date. In cases of emergency the provision that an ordinance may not be passed at the meeting at which it is introduced may be suspended by the affirmative votes of four members of the council. Every ordinance, unless it be passed as an emergency ordinance, shall become effective at the expiration of twenty calendar days following the date of passage by the council. A fair summary of each ordinance shall be published at least once in a newspaper or newspapers having general circulation in the municipality. An emergency ordinance shall become effective on the date specified in the ordinance.
§ 15. Referendum.

If, before the expiration of twenty calendar days following the approval of any ordinance, a petition is filed with the clerk-treasurer containing the signatures of not less than twenty per cent (30%) of the qualified voters of the town and requesting that the ordinance, or any part thereof, be submitted to a vote of the qualified voters of the town for their approval or disapproval, the council shall have the ordinance, or the part thereof requested for the referendum, submitted to a vote of the qualified voters of the town at the next regular town election or, in the discretion of the council, at a special election occurring before the next regular election. No ordinance, or the part thereof requested for referendum, shall become effective following the receipt of such petition until and unless approved at the election by a majority of the qualified voters voting on the question. An emergency ordinance, or the part thereof requested for referendum, shall continue in effect for sixty days following receipt of such petition. If the question of approval or disapproval of any emergency ordinance, or any part thereof, has not been submitted to the qualified voters within sixty days following receipt of the petition, then operation of the ordinance, or the part thereof requested for referendum, shall be suspended until approved by a majority of the qualified voters voting on the question at any election. Any ordinance, or part thereof, disapproved by the voters, shall stand repealed. The provisions of this section shall not apply to any ordinance, or part thereof, passed under the authority of § 56, levying property taxes for the payment of indebtedness, but the provisions of this section shall apply to any ordinance, or any part thereof, levying special assessment charges under the provisions of §§ 84 and 85. The provisions of this section shall be self-executing, but the council may adopt ordinances in furtherance of these provisions and not in conflict with them.

(3) Saving clause. — The enumeration of any powers in this section is not to be construed as limiting the powers of the town to the several subjects mentioned. The Mayor and council shall exercise all those powers in addition to those enumerated and granted by the Constitution and the laws of the State of Maryland or its Charter.

§ 22. Exercise of powers.

For the purpose of carrying out the powers granted in this charter, the council may pass all necessary ordinances and/or resolutions. All the powers of the town shall be exercised in the manner prescribed by this charter, or, if the manner be not prescribed, then in such manner as may be prescribed by ordinance or the laws of the State of Maryland.

punishable as misdemeanors or constitute a municipal infraction as provided in Article 23A of the Annotated Code of Maryland, and/or any other applicable statutory provisions, as now prescribed by such statutory provisions or as may be amended from time to time.

REGISTRATION, NOMINATION, AND ELECTION

§ 24. Qualifications of voters.

The terms of members of the board of supervisors of elections begin on the second Monday in January in the year in which they are appointed and run for four years. Members of the board of supervisors of elections shall be qualified voters of the town and shall not hold or be candidates for any elective office during their term of office. The board shall appoint one of its members as chairperson. Vacancies on the board shall be filled by the Mayor with the approval of the council for the remainder of the unexpired term. The compensation of the members of the board, if any, shall be determined by the council.

§ 26. Same -- Removal of members.

Any member of the board of supervisors of elections may be removed for good cause by the council, if in the judgment of the council the member is not properly performing or will not properly perform the duties of the position. Before removal, the member of the board of supervisors of elections to be removed shall be given a written copy of the charges against said member and shall have a public hearing on them before the council if said member so requests within ten days after receiving the written copy of the charges.
§ 27. Same -- Duties.

The board of supervisors of elections shall be in charge of the registration of voters, nominations, and all town elections. Registration will close at noon on the twenty-fifth (25th) day preceding the municipal election of officers or any special election or referendum. Registration shall be conducted by the clerk-treasurer and other persons in the municipal office so authorized to do so by the board of supervisors of elections. Any bona fide resident within the corporate limits of the town at the time of registration will be eligible to register. Universal voter registration, by bona fide residents of the town for all general and primary elections, as provided for and defined in Article 33 Election Code of the Annotated Code of Maryland as it now exists, and as may be amended from time to time, shall qualify said person to vote in all municipal elections or referendums provided said registration is effective by noon on the twenty-fifth (25th) day preceding any municipal election of officers, special elections, or referendum. Registration shall be permanent, and no person shall be entitled to vote in town elections unless such person is registered. It shall be the duty of the board of supervisors of elections to keep the registration list up to date by striking from the list persons known to have died or to have moved out of the town limits or have in any manner been subject to removal from the voter registration as provided in this charter or Article 33, Election Code of the Annotated Code of Maryland. The council is hereby authorized and directed, by ordinance, to adopt and enforce any provisions necessary to establish and maintain a system of permanent registration, and to provide for a re-registration when necessary. (Amended effective Resolution 3, 11/2/00).

§ 30. Appeal from action of board of supervisors of elections.

If any person is aggrieved by the action of the board of supervisors of elections in refusing to register or in striking off the name of any person, or by any other action said person may appeal to the council. Any decision or action of the council upon such appeals may be appealed to the circuit court for the county within the time allowed for such appeals.
§ 31. Filing certificate of Nomination/Candidacy.

Persons may be nominated for elective office in the town by filing a certificate of nomination/candidacy at the office of the board of supervisors of elections or town hall or community center at least sixty (60) days preceding the municipal election of officers election. No person shall file for nomination to more than one elective town public office or hold more than one elective town public office at any one time. In addition thereto, no elected officer of the town, except elected officers running for re-election, shall be a candidate or nominee for election to any town public office unless he or she shall have first resigned from his/her then office. If he/she fails to resign upon registering for candidacy and/or upon nomination he/she shall be deemed to have forfeited his/her town public office immediately upon filing. Any such officer of the town who shall become a candidate for election by the people to a public office, other than a town public office, shall automatically forfeit such town position when and if he/she is elected for said public office. No employee or appointed officer of the Town of Hancock shall be eligible to file a certificate of nomination for elective office in the town without first terminating his/her employment. (Amended resolution 6/30/88, 11/2/00, recorded at Liber 9, folio 40.)

The board of supervisors of elections shall keep the
polls open from 11:00 a.m. to 7:00 p.m. on election days or for longer hours if the council requires it. (Amended by Resolution 2, 11/2/00, recorded Liber 9, folio 39.)

SPECIAL TAXING DISTRICTS

§ 84. Power of town to levy special assessments.

The town may levy and collect taxes in the form of special assessments upon property in a limited and determinable area for special benefits conferred upon the property by the installation or construction, of water mains, sanitary sewer mains, storm water sewers, curbs, and gutters and by the construction, and paving of public ways and sidewalks or parts thereof, and it may provide for the payment of all or any part of the above projects out of the proceeds of the special assessment. The cost of any project to be paid in whole or in part by special assessments may include the direct cost thereof, the cost of any land acquired for the project, the interest on bonds, notes, or other evidence of indebtedness issued in anticipation of the collection of special assessments, a reasonable charge for the services of the administrative staff of the town, and any other item of cost which may reasonably be attributed to the project.

In addition thereto, but not limited thereto, the town may exercise all powers pertaining to special taxing districts as set forth in Article 23A, Section 44(a) of the Annotated Code of Maryland or pursuant to any other applicable public general law of the State of Maryland as it now exists or may be subsequently amended from time to time.

§ 85. Procedure.

Provided. -- The procedure for special assessments, wherever authorized in this charter, is as provided in this section.

(b) Assessment of cost. -- The cost of the project being charged for shall be assessed according to the front rule of apportionment or some other equitable basis determined by the council.

(c) Amount. -- The amount assessed against any property for any project or improvement shall not exceed the value of the benefits accruing to the property therefrom, nor shall any assessment be levied which causes the total amount of special assessments levied by the town and outstanding against any property at any time, exclusive of delinquent installments, to exceed twenty-
five percent (25%) of the assessed value of the property after giving effect to the benefit accruing thereto from the project or improvement for which assessed.

(d) Uniformity of rates. -- When desirable, the affected property may be divided into different classes to be charged different rates, but, except for this, any rate shall be uniform.

(e) Levy of charges; public hearing; notice. -- All special assessment charges shall be levied by the council by ordinance. Before levying any special assessment charges, the council shall hold a public hearing. The clerk-treasurer shall cause notice to be given stating the nature and extent of the proposed project, the kind of materials to be used, and the estimated cost of the project, the portion of the cost to be assessed, the number of installments in which the assessment may be paid, the method to be used in apportioning the cost, and the limits of the proposed area of assessment. The notice shall also state the time and place at which all persons interested, or their agents or attorneys, may appear before the council and be heard concerning the proposed project and special assessment. Such notice shall be given by sending a copy thereof by mail to the owner of record of each parcel of property proposed to be assessed and to the person in whose name the property is assessed for taxation and by publication of a copy of the notice at least once in a newspaper of general circulation in the town. The clerk-treasurer shall present at the hearing a certificate of publication and mailing of copies of the notice, which certificate shall be deemed proof of notice, but failure of any owner to receive the mailed copy shall not invalidate the proceedings. The date of hearing shall be set at least ten and not more than thirty days after the clerk-treasurer shall have completed publication and service of notice as provided in this section. Following the hearing the council, in its discretion, may vote to proceed with the project and may levy the special assessment.

(f) Right to appeal. -- Any interested person feeling aggrieved by the levying of any special assessment under the provisions of this section shall have the right to appeal to the circuit court for the county within ten days after the levying of any assessment by the council.

(g) Payments; interest. -- Special assessments may be made payable in annual or more frequent installments over such period of time, not to exceed ten years, and in such manner as the council may determine. The council shall determine on what date installments shall be due and payable. Interest may be charged on installments at the rate to be determined by the council.

(h) When due; lien on property; collection. -- All special assessment installments are overdue six months after the date on which they became due and payable. All special assessments shall be liens on the property and all overdue special assessments shall be collected in the same manner as town taxes or by suit at law.

(i) Clerk-treasurer. -- All special assessments shall be billed and collected by the clerk-treasurer.

Re: Amendments to town APFOs

Dear Bob and Ed:

Thanks for forwarding me to the resolutions amending the APFOs in Funkstown, Williamsport, Keedysville, and Hancock. Based on my review of these documents, the revised APFOs in these towns seem to comply with the school adequacy provisions of Section 2-701 of the Code of Public Laws and the County Building Excise Tax Ordinance. Thanks for your cooperation.

Let me know if you have any questions or comments concerning this matter.

Very truly yours,

RE: Hancock Adequate Public Facilities Ordinance (APFO)  
Our file: 4669

Dear Mr. Douglas,

The amendments to the town of Hancock APFO previously furnished to you were enacted by the Mayor and Council on February 8, 2006.

The amendments are being or have been recorded among the acts, ordinances, and resolutions of incorporated towns in the office of the Clerk of Circuit Court at this time.

It is our opinion that the town definitely has met the requirements of Section 2-701 of the Code of Public Laws, as amended by House Bill 1272. The standard set forth in yours of December 13, 2005 has been more than satisfied as indicated in yours of January 12, 2006.

Therefore, the municipality is eligible and entitled to retain a portion of the building excise tax. We trust the county will comply with the statute.

Attached is a copy of the amended APFO of the town for your information and distribution.

Very truly yours,

the duly constituted legislative body of Washington County (the "County").

The Town of Hancock (the "Town") is the duly constituted legislative body

Md. Code, Article 25, §236A grants the County the authority to adopt an

The Town, pursuant to Md. Code, Article 23A, §2B, has the authority to
request and authorize the County to administer and enforce ordinances within the

The Mayor and Council of the Town reviewed the Ordinance and, believing
that it would be in the best interests of the citizens of the Town and in the interest
of uniformity and efficiency to adopt the same, passed an ordinance on April 18,
effective May 1, 2001, authorizing and directing the County to administer and
enforce the Ordinance as amended by the Town, within the corporate limits of the
Town to provide for the control, safety and welfare of animals and the community.
A copy of the Town's ordinance is attached hereto and incorporated by reference.

The County, having expressly found that it would be in the best interests
of the citizens of the County to enforce the Ordinance, as amended by the Town,
within the corporate boundaries of the Town, has agreed to do so.

NOW, THEREFORE, BE IT RESOLVED by the Board of County
Commissioners of Washington County, Maryland, that, pursuant to the request
of the Town in the attached ordinance, the County agrees to administer and
enforce the Animal Control Ordinance for Washington County within the corporate
limits of the Town in accordance with the existing agreement with the County's
animal control agency.

Adopted this 16th day of December, 2001, effective as of the date of

The jurisdiction and powers created under this Ordinance shall extend to any and all Persons owning, leasing, harboring, sheltering or controlling any animal within the County, whether resident or nonresident.

(b) The Authority shall meet as necessary to conduct hearings, as set forth in Section 6. of this Ordinance.

(c) The Authority may adopt a set of rules to govern its own hearings and procedures, and shall make them readily available to the public. These rules and procedures shall be approved by the Board.

(d) The Authority shall submit an annual report to the Board and the Agency concerning the performance of its responsibilities hereunder.

Section 3. Animal Control Authority - Composition; term of office.

(a) The Authority shall consist of five (5) members, all of whom shall be residents of the County. Members shall be appointed by the Board and shall be governed by certain County ordinances and policies, including without limitation the Boards and Commissions Policy and the Ethics Ordinance.

(b) The Authority shall be made up of one member who is a Veterinarian, one member of the agricultural community, one member of the legal profession, and two members from the public at large. If, after reasonable efforts to recruit a Veterinarian to serve as a member of the Authority the Board is unable to find a Veterinarian, the Board may appoint a veterinary technician who is registered in the State.

(c) The members of the Authority shall be appointed by the Board for a term of three (3) years or to fill the unexpired term of a member who has vacated a position before the end of his or her term. No member shall serve more than two (2) consecutive terms.

(d) The members of the Authority shall elect a chair that shall serve for a term of one (1) year or until the expiration of his or her own term as a regular member of the Authority, whichever period is shorter.

Section 5. Animal Control Authority - Quorum.

The presence of any three (3) Authority members shall constitute a quorum. Any decision, resolution or finding shall be construed as the act of the Authority if passed by a majority of those present.

Section 6. Animal Control Authority – hearings; procedures; and orders

(a) The Authority may conduct a hearing when:

(1) A Citation is filed with the Authority by an Animal Control Officer, alleging that a Person has violated or permitted an animal to violate the provisions of this Ordinance.

(2) A Complaint is filed with the Authority by an Individual other than an Animal Control Officer, alleging that a Person has violated or permitted an animal to violate the provisions of this Ordinance.

(3) A Citation is filed with the Authority by an Animal Control Officer or a Complaint is filed with the Authority by an Individual, alleging that a Person has failed to comply with an outstanding order of the Authority.

(4) It is necessary for the Authority to resolve any other controversy over which it has responsibility under this Ordinance.

(b) The Authority shall hear and decide cases referred by the Agency concerning the enforcement of this Ordinance, including the abatement of a nuisance caused by one or more Public Nuisance Animals.

(c) The Authority shall conduct a hearing when a Person who has been served with a Citation or Complaint charging a violation of the provisions of this Ordinance files a written request for a hearing before the Authority within five (5) business days after receipt of a Citation or Complaint.
Instructions for requesting a hearing before the Authority shall be printed on all form Citations and Complaints.

(d) The Authority shall not have the power to hear or decide any cases that involve matters arising strictly under the applicable zoning ordinance.

(e) The Authority shall give notice in writing by regular mail to the complainant and the Person charged with or appealing a Citation or Complaint of the time and place of the hearing, providing all parties with a minimum of ten (10) days notice of the hearing. The Authority shall also send notice by personal delivery or by certified mail, return receipt requested, to the Person charged. If the notice sent by regular mail is not returned and if the personal delivery or certified mail receipt indicates that the Person charged is at the address given, it shall be presumed that the Person has received notice of the hearing.

(f) Any hearing held pursuant to this Ordinance shall be conducted in an informal manner. The strict rules of evidence shall not apply. The Authority may hear any evidence that is relevant and probative of the matters set forth in the Citation or Complaint, but shall not be required to hear irrelevant or merely cumulative evidence. Hearsay evidence is admissible if credible and of sufficient probative force to be considered, in the judgment of the Authority.

(g) The charging Animal Control Officer, the complainant, and the Person charged by the Citation or Complaint may appear in person or, if not an Individual, by agent or by attorney. Failure of the charging Animal Control Officer or the complainant to appear shall result in the dismissal of the case by the Authority, unless a postponement is granted by the Authority for good cause shown.

(h) If, after notice is given, the Person charged in a Citation by an Animal Control Officer or in a Complaint filed by an Individual other than an Animal Control Officer:

1. Does not appear, nevertheless, the Authority may hear and determine the matter.

2. Does not request a hearing, the Authority may deem that the matter has been heard and may impose a civil penalty.

(i) The Authority is authorized and empowered to issue subpoenas upon forms approved by the Board compelling the attendance of witnesses to testify and to produce evidence at hearings of the Authority. The Authority may effect service of a subpoena by personal delivery or by registered or certified mail. Upon the failure of an Individual subpoenaed to appear, the Authority may apply to the Circuit Court for an order compelling compliance with the subpoena. Failure to comply with the court's order shall constitute contempt of court and shall be punishable in accordance with Maryland law.

(j) The Authority may administer oaths at hearings held under this section. All hearings shall be recorded.

(k) At the close of all the evidence, the Authority shall deliberate and shall issue written findings of fact, conclusions and an appropriate order by regular mail to all relevant parties within fifteen (15) days of the hearing. If the Authority fails to find that a violation was committed, it shall dismiss the Citation or Complaint. If the Authority finds that a violation has been committed, or that an animal is a Public Nuisance Animal, or that a public nuisance condition exists as provided in Section 32., it may impose civil penalties pursuant to Section 43. In lieu of or in addition to imposing civil penalties, it may require appropriate affirmative action, including but not limited to the following:

1. The mandatory restriction or confinement of the animal, under such conditions as may be appropriate.
(2) The mandatory destruction or other disposition of the animal if the evidence shows that such action is necessitated by the need for the protection of public health and safety, pursuant to Section 41.

(3) The correction of conditions or methods of animal care, keeping, maintenance, housing or veterinary treatment as the Authority may require in its discretion.

(4) Suspension or revocation of the Kennel license, if any.

(l) The Agency may request the Authority to convene immediately for the purpose of investigating situations of acute emergency. In such case, good faith efforts shall be made to serve notice of this expedited hearing upon the Person charged. The Authority may make such findings and orders as are appropriate to deal with the emergency situation. Such an order shall have effect for a period not to exceed fifteen (15) days, and the Authority shall schedule and hold a hearing in the ordinary course to consider further action as necessary.

(m) The determination of the Authority is a final decision for the purpose of judicial review of an administrative decision.

(n) The Authority shall accept oral or written testimony from an agent of the Cooperative Extension Service on the issue of what are customary and normal animal husbandry practices without the formal requirement of qualification as to expertise.

Section 7. Animal Control Authority - Appeals from Authority orders.

(a) Any party, including the Agency, aggrieved by a final order of the Authority in a contested case, whether such a decision is affirmative or negative in form, is entitled to file a petition for judicial review of that order to the Circuit Court for Washington County within thirty (30) days of the date of the order. Such appeal shall be governed by the provisions of the Maryland Rules pertaining to judicial review of administrative decisions. See Maryland Rules, Section 7-201, et seq.

(b) Judicial review of disputed issues of fact shall be confined to the record of the hearing before the Authority. No cases appealed under this Ordinance shall be heard de novo.

Section 8. Animal Control Authority - Compensation; expenses.

The members of the Authority shall be reimbursed for such actual expenses as may be incurred by them and for special costs as may be approved by the Board, subject to budget limitations, provided, however, that no compensation shall be paid to the chair or any member of the Authority.

Section 9. Animal Control Authority - Removal from office.

The Authority may recommend to the Board by majority vote that any member be removed for inefficiency, neglect of duty, or malfeasance. The Board shall consider such recommendation and may take whatever action is deemed proper in its discretion.
ARTICLE III. LICENSING

Section 10. Licenses generally

All dogs, Kennels and Pet Shops shall be licensed.

Section 11. Licenses generally - Rules and regulations.

The Board may promulgate rules and regulations for the issuance of dog, Kennel and Pet Shop licenses as deemed desirable for public health and welfare and for the protection of animals. Such rules and regulations may include requirements for humane care of all animals and for compliance with the provisions of this Ordinance and other applicable laws.

Section 12. Licenses generally - Refusal to issue license.

Any license provided for in this Article shall be refused where the applicant is or would be in violation of this Ordinance, land use or other state or local laws.

Section 13. Licenses generally - Fraudulent use of license or tag.

It shall be unlawful for any Person to use any dog license, Kennel license, Pet Shop license, or license tag issued to another Person.

Section 14. Licenses generally; Land use laws.

No provision of this Ordinance shall supersede or modify land use laws and regulations.

Section 15. Dog licenses generally.

(a) Any Person owning, keeping, harboring, or having custody of any dog, four (4) months of age or older within the County, must obtain a license as herein provided.

(b) If not revoked, the license for the keeping of a dog shall be for one year beginning each fiscal year on July 1. Application for a dog license may be made as follows:

(1) Thirty (30) days prior to the beginning of each fiscal year;

(2) Within thirty (30) days of obtaining a dog over the age of four (4) months;

(3) Within thirty (30) days of a dog reaching four (4) months of age; or

(4) Within thirty (30) days of moving to the County and owning a dog over the age of four (4) months.

(c) Written application for a dog license shall be made to the Treasurer or designee on forms provided and shall state the name, address, telephone number of the Owner, the name, breed, color, age,
sex of the dog, whether the dog has been spayed or neutered, and the current rabies inoculation tag number.

(d) A valid certificate of rabies inoculation issued by a Veterinarian or anti-rabies clinic recognized by the Health Officer, stating the inoculation date, expiration date and the type of vaccine used, shall accompany the application for a dog license, except when, in the written opinion of a Veterinarian, it is not advisable due to the impaired physical condition of the dog. If the animal has been exempted from the requirement of a rabies inoculation due to physical impairment, a license will be issued without proof of a rabies inoculation and a copy of the written exemption from a Veterinarian will be submitted to the Treasurer or designee for attachment to the copy maintained by the Treasurer. If the animal was brought into the County from outside the State, an unexpired rabies inoculation certificate or tag issued by a veterinarian or anti-rabies clinic licensed in the state in which the animal was inoculated shall be acceptable. See Md. Code, Health-General Article, §18-318.

(e) The Owner of any dog having received or having been subject to protection training shall be required to include such information in the application in addition to those matters required in subsection (c) of this section.

Section 16. Dog licenses - License required; exception.

The licensing requirements of this section shall not apply to any dog belonging to a nonresident of the County and kept within the boundaries of the County for a single period of less than thirty (30) days; provided that all such dogs shall, at the time of entry into the County, have been properly vaccinated against rabies. While any such animal is kept within the County, the Owner shall comply with all other requirements of this Ordinance.

Section 17. Dog licenses - Guide dogs and police dogs.

(a) If the license application discloses that a dog for which a license is sought will be used as a guide dog trained to aid a blind, hearing impaired, or disabled Individual and it is actually in use for such purpose, the license will be issued without payment of any fee and the issuing agent shall record across the face of the license in red ink the words “Dog Guide.” Dogs so licensed will be exempt from any charge at County-sponsored anti-rabies clinics.

(b) All publicly owned police dogs shall be licensed only as provided by Article 88B, Section 70 of the Annotated Code of Maryland, and are exempted from the licensing provisions of this Ordinance. Dogs so licensed shall be exempt from any charge at County-sponsored anti-rabies clinics.

(c) All license-exempt dogs shall be vaccinated against rabies as mandated by the health laws in the Annotated Code of Maryland.

Effective July 1, 2001, the fee for a spayed or neutered dog shall increase to $5.00 and the fee for a dog that has not been spayed or neutered shall increase to $15.00. This schedule of fees may be amended by the Board by resolution.
